

Matrix Stars

**Thank, Honor or Remember the Special People in Your Life
by Naming Them Matrix Stars**

Thanks to your gift from the heart, Matrix can continue the crucial work of empowering families of children with special needs. It's good for the child, good for the family, and good for the community!

Great for holiday, birthday or thank you gifts -- or even "just because." Recognize and honor the people in your life that support and encourage you and your child with special needs.

With your donation of \$20 or more per honoree, we'll include a personalized Gift Card from Matrix with your personal message. Please note that it may take up to one week to process this acknowledgment. If your gift is time sensitive, please call Brenda at (415) 475-2118 during regular business hours.

** If you've already made an end-of-year gift to Matrix this year, and would like to name a Star, please call Brenda at 415-475-2118.*
