

Take Action!

The Autism Community Team is a collaborative group providing local information and resources for families and professionals working with individuals with an Autism Spectrum Disorder (ASD) in Sonoma, Solano and Napa counties. Since 2002, ACT has produced major outcomes and accomplishments including the creation of Collaborative Autism Diagnostic clinics (CAD), facilitation of family orientations, identified children with Autism at a younger age, and the creation of an ACT website: www.actnorthbay.org.

Join ACT by supporting one of our many new projects including:

- Developing Housing Models & Supports
- Promoting Effective Models for Post-Secondary Education & Work
- Getting Insurance: Meeting the medical needs of individuals with ASD
- Developing Social Skills Opportunities
- Promoting and Developing Training & Educational Opportunities
- Success Stories and The Media: Getting the Word Out

Contact North Bay Regional Center 707-256-1100 or Kim Hunt: KimH@nbrc.net to be added to the ACT e-mail list or Dr. Patrick Maher: PatrickM@nbrc.net if you are interested in joining a specific group project or creating your own!
