

NICHOLS RESEARCH **A pathway to decisions**

Nichols Research, a nationwide marketing research company, is conducting a paid research study regarding **Achondroplasia**. We are inviting only a select number of qualified respondents to participate in this study.

DATE: Monday, January 22 – January 24, 2018

HONORARIUM: \$250.00

DURATION: 2 hours

LOCATION: Online

The purpose of the study is to help improve awareness and education around achondroplasia as well as understand interest in new therapies.

All qualified participants will receive an honorarium of **\$250.00** for their time and opinion.

If you would like to be included in this important research project, please give us a call at **(510) 794-2990** and reference study **#4011-R**

Please note that we will need to speak with you directly to see if you qualify for this research project. You will be asked some questions in order to determine your qualifications to participate.

We look forward to hearing from you soon!
