THIS IS A ZOOM TRAINING

Come take a walk through Procedural Safeguards. What are they? You know the information packet you receive at every IEP (Individualized Education Plan) meeting and file away? It contains your and your child's Special Education rights and protections. We'll go through the packet one page at a time to help you better understand those rights.

This is part one of a two-part training. Watch for Part II next month, which will focus more on potential remedies available to you and your child should you need them.

Understanding your rights empowers you to be an effective member of your child's IEP team.
